

DEAKIN, WODEN & TUGGERANONG CT GUARANTEE

MULTISLICE CT EXAMINATION APPOINTMENTS SAME DAY OR NEXT DAY GUARANTEED*

Your patient is guaranteed an appointment within 24 hours at either one of these comprehensive radiology clinics

Advantages of referring to National Capital Diagnostic Imaging include:

- 16 & 64 slice CT scanners, delivering superior anatomical detail with shorter examination times and improved patient comfort
- Latest high-end Ultrasound equipment operated by experienced ultrasonographers
- Our integrated RIS/PACS system enables specialist and second opinion Radiologist reporting, therefor increasing diagnostic accuracy
- Two MRI Machines at Deakin (one of which is the only private MRI in the ACT that is Medicare-funded).
- Breast and prostate MRI specialty services
- Long term image storage on our Picture Archive and Communications System (PACS)
- Images available instantaneously via secure online web access – NCDI Direct – To get NCDI Direct on your computer, please call 0437 141 748

* Certain procedural examinations may not be able to be accommodated within this timeframe. This includes cardiac and interventional procedures.
