Osteoporosis

Are you at risk? Is it time for your follow-up?

National Capital Diagnostic Imaging is again promoting
Healthy Bones Awareness in August 2009.

Bone Densitometry examination (DEXA) is the most
accurate test to discover if your bones are healthy.

**\$75 SPECIAL
OFFER**

For the month of August
the examination is available with a report
from a fully qualified Medical Radiologist.

Do you qualify for a bulk billed examination?

You may qualify under Medicare guidelines for a bulk billed
examination (for the month of August) when
your medical history and results are known.
