

National Capital  
Diagnostic Imaging

# Cardiac 64-Slice CT

*At the Canberra Specialist  
Centre in Deakin, we provide  
state-of-the-art cardiac  
CT with the "Siemens 64  
Cardiac Sensation CT"*

Dr Rob Greenough

## Coronary CT Angiography

- Possible Coronary Heart Disease
- Atypical chest pain, dyspnoea
- LV function and mass measurement
- Bypass graft patency and stent patency
- Symptomatic patients with known CAD
- Coronary artery anomalies

## Calcium Scoring

- For risk assessment and prognostication

## Cost to patient

- Highly competitive fee of \$400 (out of pocket) for this very comprehensive study. Referrers can also just request the Calcium Scoring which costs \$150.

## Radiologist Direct

- Your direct line to our Radiologists / Physicians is **(02) 6124 1906**. If this number is busy Referrers should phone (02) 6124 1900 and choose option 2 for medical referrers.
